BALER BELT WARRANTY**

Haytools/Usbalerbelts baler belt, Leg, AG-Belt and the Goodyear® Engineered Products baler belt have proven durability and performance, and we stand behind them with a solid two-year limited warranty.

The two-year limited warranty may not apply if failure is caused by incorrect lacing, improper application, abuse, or neglect. Any belt determined to be defective in workmanship or quality, during the first two years from the Sale Date, under normal conditions of use, will be repaired or replaced at US Baler Belts and/or the factory discretion. Fastener failure is exempt from this warranty. All warranty claims are subject to inspection by US Baler Belts and/or the manufacturer. All returns must have prior authorization with an assigned RMA number. Return freight must be paid by the customer. Collect shipments will not be accepted.

Restocking Charge on non-warranty returns: A 25% restocking fee may apply to all returned merchandise that Haytools/Usbalerbelts agrees to restock. Used items will not be considered.
